Title: a note

Farewell my love.

I am afraid I won't be  
bringing you any flowers  
for awhile. I have one  
last task to finish. Even  
though I have no  
motivation to do it, I  
know it will occupy my  
mind and keep me busy.  
I no doubt will be  
traveling to tinker shops  
throughout the lands, and  
promise to bring greetings  
to our old friends there.

Forever your love,  
Gregory
